Welcome to Albury Wodonga

Albury Wodonga is a natural meeting place in every way.

For thousands of years, people have gathered, shared and celebrated at this special place in the foothills of the Alps and on the banks of the mighty Murray River. Our warm, welcoming and entrepreneurial locals have come from here, and come from afar, to build a thriving regional community that is both cosmopolitan and laidback, culturally connected and naturally abundant.

We have every kind of nature at our doorstep. Whether you're looking to explore and push your limits, or tap into wellbeing and rejuvenation, you'll find it on our Murray River and Lake Hume, through our hill vistas and trails, and walking and relaxing in our many parks and gardens.

Then it's only a day trip to the mountains, the wineries and the rural farmsteads for total natural immersion. We have fresh air to breathe, adventure on tap and beauty to behold for every outdoorsy soul.

Our impressive and unique conference and event venues offer modern facilities, advanced technology, flexible spaces and, professional and

inclusive catering. The region boasts a wide range of accommodation, from modern hotels in our CBDs to traditional motor inns, tourist parks and charming B&Bs. Specialist conference and event service providers can take your event to the next level, offering an end to end service.

Outside of the venues, the options for team building, touring and partner programs are boundless. Feed your curiosity and share in our stories through our surprising variety of galleries, museums, theatres and festivals. Experience our culinary creativity with dining options from fresh local produce to casual alfresco, and Hatted restaurants to specialist whiskey and wine bars. We have so many unique settings to give your conference event a creative twist, from cocktails by the Murray River to exclusive gallery or rooftop dining.

Albury Wodonga is much more than a place to visit. It's a place to come, stay for a while and live a little Albury Wodonga life with us. A place where unfiltered, uncomplicated, refreshing connections just happen naturally.
