## Welcome to Albury Wodonga

Albury Wodonga is a natural meeting place in every way.

For thousands of years, people have gathered, shared and celebrated at this special place in the foothills of the Alps and on the banks of the mighty Murray River. Our warm, welcoming and entrepreneurial locals have come from here, and come from afar, to build a thriving regional community that is both cosmopolitan and laidback, culturally connected and naturally abundant.

We have every kind of nature at our doorstep. Whether you're looking to explore and push your limits, or tap into wellbeing and rejuvenation, you'll find it on our Murray River and Lake Hume, through our hill vistas and trails, and walking and relaxing in our many parks and gardens.

Then it's only a day trip to the mountains, the wineries and the rural farmsteads for total natural immersion. We have fresh air to breathe, adventure on tap and beauty to behold for every outdoorsy soul.

Our impressive and unique conference and event venues offer modern facilities, advanced technology, flexible spaces and, professional and

inclusive catering. The region boasts a wide range of accommodation, from modern hotels in our city centres to traditional motor inns, tourist parks and charming B&Bs. Specialist conference and event service providers can take your event to the next level, offering an end to end service.

Outside of the venues, the options for team building, touring and partner programs are boundless. Feed your curiosity and share in our stories through our surprising variety of galleries, museums, theatres and festivals. Experience our culinary creativity with dining options from fresh local produce to casual alfresco, and Hatted restaurants to specialist whiskey and wine bars. We have so many unique settings to give your conference event a creative twist, from cocktails by the Murray River to exclusive gallery or rooftop dining.

## Exploring the region

Albury Wodonga is the perfect base to explore our nearby wine region, the high country or one of the many charming country towns.

Organise a day tour and explore the many well-known wineries in nearby Rutherglen or take a scenic drive to Corowa Whisky and Chocolate, enjoy a tasting tour or make your own giant chocolate freckle.

Take a picturesque drive to the town of Beechworth and wander the historic streets to find Beechworth Honey, Old Beechworth Gaol and a host of heritage and foodie destinations. You'll find more tasty treats alongside arts and crafts at nearby Yackandandah, plus antiques shopping in delightful Chiltern.

Meander north to the village of Holbrook to check out the giant submarine. On your way back, stop at Jindera Pioneer Museum, built around an existing 1847 general store, homes, grounds and machinery sheds. Howlong, Corowa, Yarrawonga and Mulwala are just a few of the townships that should not be missed if you enjoy top class golf courses, water sports or quality food and produce.

Mt Buffalo, Bright and Mt Beauty offer mountain biking, rock climbing, kayaking and in winter you can head to the nearby snowfields of Falls Creek and Mount Hotham.

This is only a small sample of experiences on offer in Albury Wodonga and the surrounding region. Our team has the local knowledge and expertise to tailor pre and post tour options to best suit your group's needs.
